## PROFILE

I am a Junior Front-end developer candidate from Gdańsk. I'm looking forward to start new career path in IT. Currently I take part in a Full Stack Developer boot camp but I am especially interested in Front-end technologies. I am still very new to the industry but I am eager to learn and prepared for plenty of hard work.

## EMPLOYMENT HISTORY

### Dietitian/Medical Advisor, SAINT LUKE'S CLINIC

Gdańsk

Mar 2016 — Oct 2021

- Everyday work with very demanding (mostly oncological) patients from Poland and other countries (Sweden, Norway, UK, Italy)
- Providing quality customer care in English and Polish
- Representing the company on local and foreign conferences and partner meetings
- Supporting OmniBiotic Poland as a knowledge manager
- Making speeches on conferences
- Organizing conferences
- Translation of marketing materials (knowledge of medical terminology in English)

### Head Dietitian, NUTRIMED

Gdynia

May 2017 — Jan 2018

## EDUCATION

### Full Stack Training Course , CODE BRAINERS

Oct 2021 — May 2022

During that course I had opportunity to work on a few projects which helped me to develop certain practical skills. I created and deployed mobile responsible page with my CV. I also developed original application with sorting algorithm as a solution of a problem with choosing two equal as possible (in terms of skills) football teams. It was designed in Star Wars theme for additional fun. Currently I'm working on React application fetching data from IMDb api.
